QATSIF New Recipients and Student Leaders' Celebrations

QATSIF celebrated some of our 1,960 new QATSIF Scholarship Recipients and our 227 School Leaders with events at the **Australian Catholic University (Banyo)**, **University of Southern Queensland (Springfield)** and **Griffith University (Logan)**.

At the ceremonies, around 410 students were presented with their QATSIF scholarship certificates. Across Queensland, many of QATSIF's current 3,860 students joined our livestreamed ceremonies and had certificate presentations within their own communities.

After the Welcome to Country, QATSIF ceremonies begin with the symbolic lighting of the QATSIF Elders' candle to recognise the rich cultural heritage which has been passed down since the Dreaming. In a beautiful tradition, QATSIF students then use the flame from the Elders' candle to light the Aboriginal and Torres Strait Islander candle as a sign of their commitment to sharing their deep cultural pride.

Outstanding student MCs from our QATSIF schools led each of the ceremonies – **ACU**: Tyler Coughlan (St Andrew's Anglican College) and Kiara McMahon (St Saviour's College); **UniSQ** – Nicholas Anderson Currie (Bremer SHS) and Emerson Kucks (Lourdes Hill College); and **Griffith** – Timothy Avery (Beenleigh SHS) and Airlee Lester (Robina SHS).

At all three ceremonies, students heard from our QATSIF Patrons – Aunty Ruth Hegarty and Professor Cindy Shannon AM. Our Patrons and Professor Keitha Dunstan (QATSIF Chair) reminded students that they needed to work hard to achieve their dreams and that they should learn from the incredible strength and resilience of Elders and Ancestors on whose shoulders we stand.

Students from St James College, Bremer SHS and Alexandra SHS demonstrated their incredible cultural pride through outstanding First Nations dance performances.

Our students listened to past QATSIF students and other First Nations speakers who shared their inspirational educational journeys, challenges and triumphs. We are very grateful to Jalara Wagner (*Sports Science and Education*), Professor Odette Best, Ceferina Villarin (*Laws, Criminology and Criminal Justice*) and all the students and staff who helped with our ceremonies.

During the ceremony, some of QATSIF's 237 school leaders including a record **27 School Captains** were presented with their leadership badges and certificates in front of their proud families and schools.

Toward the end of the ceremony, our new QATSIF students were blessed by an Elder with Burnam Burnam's "*Aboriginal Fire Blessing*" to send them out to lead their schools and work hard achieve their future dreams.

QATSIF is very grateful to ACU, UniSQ and Griffith University for supporting students both now and into the future.

Round 14 Recipients' Celebrations shared by our QATSIF schools

BOWEN SHS

Back row (L-R): Principal Rob Harris, Talithia, Brock, Clarice, Wade, Jamarcia, Deb Belyea (QATSIF Coordinator) and Mrs Raylene Van Veen (CEC). **Front row (L-R):** Dakota, Olivia, Alexia, Graeme and Rahkiya.

Bowen State High School came together as a community to celebrate ten of their senior Indigenous students who were successful in receiving a Round 14 QATSIF scholarship. At a morning tea held afterwards, the students were reminded by Mrs Belyea of the responsibility of being awarded a scholarship that came from the wages left unpaid to our Aboriginal and Torres Strait Islander Elders who had passed and the importance of valuing their education. Mr Harris (Principal) had stated to the recipients that they now have a newfound status as role models to junior students and as such they needed to be upstanding students.

We look forward to watching these students flourish in their new leadership roles.

QATSIF students named as Queensland's Highest Achieving First Nations students

Congratulations to the deadly **Jemima Bainbridge** and **Lachlan Munns** who were jointly awarded the *2022 Highest Achievement by an Aboriginal Student and Torres Strait Islander Student in Queensland* at the **QCAA Awards**.

Jemima (Coolum State High School) plans to study a *Bachelor of Science and Arts* majoring in Archaeological Science, Anthropology and Latin at **The University of Queensland**. Her dream is to travel the world as an Archaeologist.

Lachlan (St Laurence's College) wants to become a doctor and specialise in psychiatry or immunology. He would like to work in rural Australia and aid those who can't easily access healthcare. Lachlan was the MC at our 2022 QATSIF Graduation at QUT.

QATSIF students have won this prestigious award for six out of the past eight years.

- ★ **Adrian Train (2015)** – Spinifex State College (Mount Isa); currently working as an Engineer.
- ★ **Kyle Ryan (2016)** – Glenala State High School (Inala); studying Medicine at UQ and 2021's *7 News Young Achiever Queensland Award Winner*.
- ★ **Lucinda Colbert (2017)** – Forest Lake State High School; studying Medicine at the University of Sydney.
- ★ **Rani Carmichael (2020)** – Brisbane State High School; studying Veterinary Science at UQ.

QATSIF encourages all our current QATSIF students to work hard to achieve their dreams.

QATSIF Student Leaders' Online Meeting

For the past three years, QATSIF has offered our school leaders (and other interested leaders) a chance to meet online to share their activities and ideas for the year ahead and hopefully to encourage and inspire one another.

Early in March, some of our nearly **230 student leaders** including many of our **27 QATSIF students** who have been elected as School Captains, met together.

The meeting recording and minutes were later shared with all QATSIF schools. Just a few of the many ideas presented were:

- ★ **NAIDOC Week: For Our Elders** theme – students speak with First Nations Elders (and older people) and collate their stories into a booklet to present to them at an Elders' meet and greet morning tea.
- ★ Calling for a First Nations Voice on school committees eg. P&Cs.
- ★ Signage around school using traditional names.
- ★ House challenge using First Nations games.
- ★ Teaching dance to younger students. e.g. *Taba Naba*.

The leaders agreed to hold a follow up meeting for QATSIF Student Leaders from **12.30pm – 1.30pm Wednesday 10 May**.

CYRESS DEWIS

Congratulations to the deadly Cyress who is one of Tagai State College's QATSIF QCIA (Queensland Certificate of Individual Achievement) students.

This term Cyress has successfully and independently completed a major technology challenge by building what is, as far as we know, the second most complex Lego Technic project. The achievement is the more notable because the project is designed as a technology challenge for neurotypical adults of 18 years and over. It is comprised of 3,854 pieces. There are four servo-motor driven drive trains that are mechanically integrated through complex clutch, cam and gearing systems as well as linear actuators.

Tagai State College and QATSIF are incredibly proud of Cyress and his outstanding achievements.

Too deadly Cyress!

MICHAEL HUNNISETT

Carmel College Year 12 QATSIF recipient Michael Hunnisett took part in the victorious Indigenous State rugby league team, at the Queensland Murri versus New South Wales Koori Interstate Challenge.

Michael earned his selection in this team after a highly successful intra-state carnival in the September 2022 school holidays. After training on the Gold Coast with some of the code's most decorated First Nations past players, Michael competed in the Interstate Challenge on January 28.

In blistering conditions, the Queensland Murri side emphatically defeated their southern rivals, 32-10, with Michael contributing a try to his team's score line.

In addition to the weekend of football, Michael enjoyed the experience of listening to and learning from Indigenous sporting leaders, who emphasised the pride of representing both State and culture at the event.

Congratulations Michael!

TREY YOUNGBERRY

Trey is a foundation student at Bellbird Park SSC who has just graduated with a QCIA – Queensland Certificate of Individual Achievement. Trey has achieved success across all his goals while participating in the program. Congratulations Trey!

Trey is a Queensland Aboriginal and Torres Strait Islander Foundation (QATSIF) scholarship recipient and that has supported his journey through his senior years of learning.

Bellbird Park SSC adopts a student-centred approach to learning to encourage students to become active, engaged participants in their own learning experiences. Trey developed a range of skills in Hospitality, Community work, English, Mathematics, HPE, STEM activities and our school recycling program to achieve his goals.

KAIDEN RATCLIFF

At the end of 2022, Kaiden stepped up to lead the newly formed Riverside Dance Troupe. In a school with only 6% of students who identify as Indigenous, we are very proud to have 13 students stepping up to perform, many for the first time. Kaiden has led this group admirably and other students are now also expressing interest in joining the troupe.

Kaiden is also a competitive swimmer and recently competed with the Wide Bay School Swim team in Freestyle, Butterfly, Breaststroke and two medley teams.

Too deadly Kaiden!

Viva Energy has already supported QATSIF with three previous grants to bring inspirational First Nations young people to speak with remote and regional secondary school students between Mount Isa and Cunnamulla, as well as Cairns, Thursday Island and the Wide Bay, Burnett and South Burnett regions.

This year, we are keen to speak with families and young people from across Cape York and the Far North at the Laura Festival.

2023 Yarning With Our Elders Project

With *For Our Elders* being this year's NAIDOC theme, it was wonderful to see some of the deadly entries in our 2023 Yarning With Our Elders Project.

Each year, QATSIF invites all Queensland First Nations students to speak with an Elder and share their stories and wisdom.

QATSIF is very grateful to the Australian Catholic University for sponsoring our project and for assisting in preserving these important stories.

While we only ever receive a small amount of entries each year, we believe that our Elders deserve to be recognised and to have their powerful and important stories told and celebrated.

It is impossible to share these wonderful stories completely on a page or two, but we will share them online once judging for our project closes.
